PTO 15

PRODUCT SHEET

Last update:
04/13/2023

FEATURES

1. Steel anchorage stirrup
2. Rotation pin
3. Arm - made of steel
4. Shield - in aluminum and shockproof, oil resistant plastic material

Swinging opening safety guard with single arm for the operator protection during working.

Not equipped with microswitch.

Protects the operator from direct contact with rotating components of the chuck and from the projection of shavings and lubricant-coolant. Attachable in front of the longitudinal carriage.

The shield is completely adjustable and, thanks to its configuration, allows the perfect view of the workpiece also from above.

CODE	A	B	C	KG
PTO 15/350	300	400	250	6.0
PTO 15/450	400	400	250	7.0
